Dear Dr.Ahmed,

The manuscript "Problems of the Zagros Ophiolites and Basaltic Bodies, Examples from Kurdistan Region, Northern Iraq" has been submitted for publication, and given your knowledge of this subject, I feel I would like to request your review. I would be grateful if you could let me know if you would be willing to meet this request. A reply by email about the reviewing of the manuscript would be ideal, letting me know whether you are prepared to accept this task or must decline so that I can invite another reviewer, if necessary

If you are willing to review this manuscript, register your response by accessing the Editorial Manager for IBGM as a REVIEWER using the login credentials below:

<https://ibgm-iq.org/ibgm/index.php/ibgm/login>

Your username is: ahmedaqrawi

Your password is: aqrawi123

or download the attached files and send them back after the review.

If you accept this invitation, I would be very grateful if you would return your review within ?? days. We look forward to hearing from you regarding this review request.

Kind regards,

Dr.Arsalan Ahmed Othman  
Associate Editor
