Re: Appreciation for Contribution to ICET 2022

Dear, Mr. Bukhari Abdullah Abdullah Rasool,

As ICET Organizing Committee, we would like to thank you for your valuable support for the **2<sup>nd</sup> International Conference on Education & Teaching in K-12 Schools (ICET)**. We sincerely appreciate your contribution to the mission of ICET in promoting education and contributing to the development of the schools and teachers' professional development.

We received very positive feedback for your presentation in ICET 2022. It was a great pleasure for us to bring together an educational expert like you with our participants. We believe your participation has made a significant contribution to the awareness for institutional and professional development in education -which we believe, is essential in empowering schools in preparing students with real life skills.

Thank you again for your invaluable contribution and support for the **2<sup>nd</sup> International Conference on Education & Teaching in K-12 Schools (ICET)**, and we are looking forward to seeing you in our future projects and ICET events.

With best regards,
