8th International Engineering Conference

“Towards Engineering Innovations and Sustainability”
Letter of Appreciation

Date: March 02, 2022

Dear **Iyd Eqqab Maree**,

We wish to genuinely thank you for reviewing the 2 articles (listed below) submitted to 8th International Engineering Conference (IEC2022), jointly organized by Tishk International University and Erbil Polytechnic University and technically sponsored by IEEE represented by IEEE Iraq Section.

Thanks to your contributions, which helped us to organize such a great international engineering Conference which hosted the researchers from all over the world and provided a dynamic and fruitful Environment that fostered the scientists, researchers, and scholars in various engineering Fields.

Thank you again for all of your generous support, we could not have done it without you!

We look forward to your contribution again next year.

List of articles:

- 1-Performance Analysis of a CI Engine with Ethanol as a Fuel Additive
- 2-Investigation of Indoor Air Quality in Several Offices in Baghdad - Case Study
