**ELSEVIER**

## Thank you for volunteering to review in 2023

Dear Omar Aziz,

Reviewers and peer review play a crucial role in academic publishing, and we sincerely thank you for your time and expertise. Your ongoing support is invaluable to the advancement of science.

**Open access**

### Letter from the Elsevier Journals Leadership Team

*“Peer review, a task often performed behind the scenes and not always given its due recognition, stands as a vital pillar for elevating the quality of global research. On behalf of all our journal editorial teams, it is my privilege to express our sincere appreciation. We are thankful for the time you dedicate to improving the quality of research featured in Elsevier journals. Your commitment to the progress of research in your field is truly commendable.*

*As we move forward into 2024, our commitment remains steadfast in continuously improving the peer review process by providing enhanced support and ensuring that review invitations align closely with your expertise.*

*Thank you for your valuable contributions as a peer reviewer.”*

**Laura Hassink**  
Managing Director Elsevier Journals

Once again, we extend our sincere gratitude for your continued support, and we wish you all the best in 2024.

Check out Elsevier's Reviewer Hub where you can manage your review activity, claim your rewards, and download your reviewer activity reports and recognised reviewer certificates.
