to me

Dear Dr. Saman Mawlud

Congratulations and welcome. Your application for the ISEIS membership has been approved. On behalf of the ISEIS Executive Committee, I would like to thank you for your interest in the ISEIS.

The International Society for Environmental Information Sciences is a non-profit and free-membership organization dedicated to development and applications of systems science and information technology for environmental applications. As a member, you will enjoy a wide spectrum of professional resources, plenty of opportunities to network with colleagues, and many other valuable benefits. The ISEIS has shown a great deal of progress with continued support and increased participation of its members. Your involvement is critical to establishing the combined strength of the society.

The Membership & Communications Division will be in touch with you in future. Please do not hesitate to contact us should you have any questions. I personally look forward to seeing you in future activities.

Sincerely,

Gordon Huang  
ISEIS President  
Professor of Environmental Engineering
