Dear Dr. Salihi:

Thank you for reviewing manuscript # TCRT-23-1078 entitled "A novel nuclear mitochondrial-related gene signature predicts survival of colon cancer" for Technology in Cancer Research & Treatment.

In recognition of your continued support, Technology in Cancer Research & Treatment and our publisher Sage are pleased to offer you 60 days complimentary online access to all journals published by Sage. Register at <http://journals.sagepub.com/page/help/reviewer-access> to activate access to content for all Sage titles. To also benefit from a 25% discount on all Sage books ordered online, go to the Sage website (<http://www.sagepublications.com/>) and add the Sage books that you would like to purchase to your shopping cart. When checking out, enter the Promotion Code GL10JR0001 when prompted. This will automatically deduct 25% from your final bill.

In recognition of your contribution to the journal as a reviewer, we would like to offer you a 20% discount on the article processing charge for the next article you submit to Technology in Cancer Research & Treatment. Submit your paper within 6 months of receipt of this email, ensuring on submission that when you come to the section which asks "If you or any of your co-authors ... have reviewed an article for this journal in the last 6 months" that you select 'Reviewer'.

If your paper is accepted after peer review the 20% reviewer discount will be automatically applied once verified by Sage. If you require any further information regarding this, please email openaccess@sagepub.co.uk.

We are collaborating with Publons to give you the recognition you deserve for your peer review contributions. If you opted in for recognition on Publons when you submitted this review, you will shortly receive an email inviting you to claim your review on the site. If you would like to get credit for your peer review but did not opt in and/or have not yet signed up, you can still do so by registering at <https://publons.com/home/>. Then simply forward this email to reviews@publons.com and the review will be added to your profile.

If you are interested in reviewing in the future, please make sure that you complete your user profile by connecting your ORCID profile, answering yes that you are willing to review, and adding keywords that best reflect your expertise. You can also put in dates you are unavailable and alternate email addresses that you may prefer to be contacted at. Lastly, ensure that you regularly update your user profile, including updating your contact information if it changes.

If you would like to stay more connected with the journal, consider applying for a position on the journal's [Editorial Review Board](#). Editorial Review Board members commit to reviewing manuscripts multiple times per year. Read more [here](#) about the qualifications and how to apply.

On behalf of the Editors of Technology in Cancer Research & Treatment, we appreciate the voluntary contribution that each reviewer gives to the Journal. We thank you for your participation in the online review process and hope that we may call upon you again to review future manuscripts.

Sincerely,

Garima Sharma
Managing Editor
