

NANO 2020
International Conference on Nanotechnology and its Applications
22-23 January 2020
Salahaddin University-Erbil, Iraq

Abstract ID: Nano2020-0027

Dear **Abdulrahman Khaleel Suliman**,

We would like to inform you that your abstract entitled “**Lattice Thermal Conductivity for Silicon Nanowires of order 20-nm**” has been accepted for oral presentation in the *International Conference on Nanotechnology and its Applications* that will be held in Erbil 22nd – 23rd January, 2020. Details of the conference proceeding and breakout sessions will be handed out to the participants in the conference day.

Full Manuscript Submission:

Deadline for authors to submit a full manuscript is: 15th December, 2019.

Selected original papers will be published in a special issue of the following two journals based on the author's choice:

1. Baghdad Science Journal (indexed in Scopus database). Publication fees \$175.
2. Experimental and Theoretical Nanotechnology Journal (Malaysia) . free of charge.

Authors who decide with *Baghdad Science Journal* should prepare their manuscripts according to the instruction for author guideline outlined at the journal website: <http://bsj.uobaghdad.edu.iq/index.php/BSJ>

Authors who decide with *Experimental and Theoretical Nanotechnology Journal* should prepare their manuscripts according to the instructions for author guideline outlined at the journal website:

<http://etn.siats.co.uk/>

Submitted will be peer-reviewed according to the journal's criteria.

Manuscripts should be submitted to the following email with the name of the journal the author would like to submit:

Info.tech.programs@gmail.com

Nanotechnology.crid@gmail.com

If you have any query, please do not hesitate to contact:
