Dear Dr. akhter ahmed,

Thank you for submitting your review of AGJSR-10-2022-0244 for Arab Gulf Journal of Scientific Research. We are very grateful for the contribution you have made to the journal by providing your review. We recognise the value that is added by our reviewers and would therefore like to thank you for your work, by granting you free personal access to up to 40 Emerald journal articles (excluding Backfiles) within a three-month period.

Early next month, we will send an email that will contain all the information you need to activate your personal free access.

Once you have received this email, all you will need to do is:

- click the link in the e-mail: this will take you directly to the Emerald log-in page
- If you have an Emerald MyProfile log in, simply log on using these details (this is different to the log in you use for ScholarOne)
- If you do not have an Emerald MyProfile, you can register with us there and then to get your free personal access to Emerald content. Instructions on how to contact us to set up your Emerald MyProfile will be in the email we send next month.
