JAMICRO-2024-0394 - Analysis of mcr family of colistin resistance genes in Gram-negative isolates from a tertiary care hospital in India

Dear Dr. Akhter Ahmed Ahmed,

Thank you for your detailed and helpful comments on the above manuscript. Your comments will be used by the Editor to inform their publication recommendation, and will also be passed to the author anonymously with our final decision.

To ensure we only send you appropriate papers, it would be very useful if you could login to your Reviewer Centre, and review the keywords we have listed for you, and ensure these are accurate. Use the 'Edit Account' link in the top right hand corner of the login screen. You can select keywords from the menu, or type in others. If you need any further information, please do not hesitate to contact me at the address above.

On behalf of the Editors of Journal of Applied Microbiology, we appreciate the voluntary contribution that each reviewer gives to the Journal. We thank you for your participation in the online review process and hope that we may call upon you again to review future manuscripts.

Sincerely,
Prof. Ashraf Ahmed
Associate Editor, Journal of Applied Microbiology
