

Academic Curriculum Vitae

Personal Information:

Full Name: Alan Ghafur RRahim

Academic Title: lecturer

Email: alan.rahim@su.edu.krd

Mobile: 009647504634460

Education:

2019-2022: (Ph. D in Applied Statistics). The title of the thesis is (**Using a Proposed Method for Wavelet Threshold to Estimate the tuning Parameter of Penalized Linear Regression (Simulation Study)**)

. Department of Statistics, College of Administration and Economics - University of Salahaddin - Erbil, IRAQ.

- 2008-2011: (M.Sc. in Statistics science). Department of Statistics, College of Administration and Economics - University of Salahaddin - Erbil, IRAQ..
- 2003-2007: (B.Sc. in Statistics science). Department of Statistics, College of Administration and Economics - University of Salahaddin - Erbil, IRAQ..

Employment:

- 2017 Lecturer of Statistics ,Department of Statistics, College of Administration and Economics - University of Salahaddin - Erbil, IRAQ.
- 2012 Assist. Lecturer of Statistics, Department of Statistics, College of Administration and Economics - University of Salahaddin - Erbil, IRAQ.
- Supervised fourth year under graduation projects.

Qualifications

- **Teaching qualifications**

- 2017 – Till Now :Lecturer, Salahaddin University – Erbil.
- 2012 – 2017 :Assistant Lecturer, Salahaddin University – Erbil.
- 2007 – 2012 :Researcher, Salahaddin University – Erbil.

- **IT qualifications**

1. Very good knowledge in the following programs:
SPSS, Statgraphics, Matlab, Word, Excel and PowerPoint.
2. Very good knowledge using Google Forms (Mobile Data Collection).
3. Excellent knowledge of Internet search skills.

- **Language qualifications**

- 1) Kurdish : Mother Tongue
- 2) Arabic : Very Good
- 3) English : Good

Teaching experience:

I have qualifications in the following fields:

- Principle of Statistics.
- BioStatistics.
- Hypothesis Testing.
- Survey.
- SPSS.
- Operation Researches
- Inferential Statistical.
- Probability Theory.
- Quality Control.

Research and publications

1. COMPARISON BETWEEN PROPOSED METHOD FOR WAVELET LASSO AND CLASSICAL PENALIZED METHOD (SIMULATION STUDY)

NG Nancy, AG Rahim.

PalArch's Journal of Archaeology of Egypt/Egyptology 19 (3), 1695-1711

2. USING A PROPOSED METHOD FOR WAVELET SHRINKAGE TO ESTIMATE THE TUNING PARAMETER OF PENALIZED LINEAR REGRESSION

NG Sulaiman, AG Rahim.

PalArch's Journal of Archaeology of Egypt/Egyptology 19 (3), 424-439

3. Construction of Bivariate F-Control Chart with Application

TH Ali, AG Rahim, DM Saleh

doi: 10.23918/eajse.v4i2p116 4 (2), 116-133

4. استخدام لوحة المتوسط للسيطرة النوعية علي منتج واحتمساب مؤشرات المقدرة مع تطبيق عملي

م. م دلشاد محمود صالح, م. م نالان غفور رحيم

Journal of Humanity Sciences 20 (6), 385-39

5. مقارنة بين لوحتي الوسيط و المعدل باستخدام بيانات تطبيقية تمثل قوة تحمل كاشي السيراميك وقوة تحمل الانابيب الكونكريتية.

م. م دلشاد محمود صالح, م. م نالان غفور رحيم

Journal of Humanity Sciences 21 (3)

Conferences and courses attended

- International Conference on Pure and Applied Mathematics Education , Ishik University, Erbil, Iraq, 11-12 Feb 2018.
- Symposium between Salahaddin University and Private Technical Institutes of (Aynda, Rwanduz, Akre) entitled (The Current Crisis of Kurdistan Region; Cause and Solution). 11April 2018.
- The Second International Conference on Administration and Financial Sciences, Cihan University, Erbil, Iraq, 27-28 June 2018.
