Dear Andam,

CIMPA General Assembly gathered yesterday and decided to admit you as member of the association. Congratulations and welcome among us! In case you have not done it yet, you may find interesting to subscribe to the newsletter

<https://www.cimpa.info/en/node/6012>

which gives a monthly summary of our activities.

Could you please send a picture do H ela in Cc so that she can announce your membership in the next newsletter?

Best,
Christophe Ritzenthaler
