Dear IUR members

We wish you a Year 2018 full of projects and achievements, and we take this opportunity to thank you sincerely for your valuable support to our Union.

The International Union of Radioecology relies on the ongoing support of its members, crucial to achieve its objectives on radioecology issues, to organize conferences, to regularly disseminate information of interest to the community, to promote the work of its members, to facilitate and reinforced international scientific cooperations.

Best regards

The IUR Board
