

## Curriculum Vitae (CV)

Dr. Awara Ibrahim M.Amin  
Ph.D. in Tectonic and ThermoChronology

### 1. Personal Information

- Surname: Amin
- First name: Awara
- Date of Birth : 09-10-1983
- Researcher ID,  
Google scholar: <https://scholar.google.com/citations?hl=en&user=G18IVsMAAAAJ>  
ResearchGate: <https://www.researchgate.net/profile/Awara-Amin-2>  
University Profile: <https://academics.su.edu.krd/awara.m.amin>
- Nationality: Iraq
- Email: [awara.m.amin@su.edu.krd](mailto:awara.m.amin@su.edu.krd)
- Phone: [964 7511988461](tel:9647511988461)

### 2. Degrass

Date of degree certificate	Degree title	Major subject	University/institute	Contact details	Title of Thesis
01-10-2015-25/06/2020	Doctoral degree	Tectonic and geomorphic landscape development thermal modeling	School of Geography and Earth Science College of Science and Engineering, University of Glasgow.	University of Glasgow, Glasgow G12 8QQ, United Kingdom	A study of the tectonic and geomorphic history of Scotland using a joint apatite fission track and (U-Th-Sm)/He analysis approach
01-10-2008 - 22/02/20211	Master Degree	Petrography and geochemistry of volcanic rocks	Salahaddin University- Erbil, College of Science, Department of Geology	Address: Zanko-Kirkuk Road, Erbil, Iraq 00441 Email: <a href="mailto:followup@su.edu.krd">followup@su.edu.krd</a> Phone: 009647504468829	Petrography and geochemistry of Walash volcanic rock in Siddakan area-NE Iraq
01-10-2002 - 28/06/2006	Bachelor Degree	Geology	Salahaddin University- Erbil, College of Science,	Address: Zanko-Kirkuk Road, Erbil, Iraq	

			Department of Geology	00441 Email: followup@su.edu.krd Phone: 009647504468829	
--	--	--	-----------------------	---	--

### 3. Other education and expertise

- Third Summer University of Geoscience and Resources Iraq (GRI) held between July 25- August 12, 2013, Freiberg-Germany.
- The English for International Students Unit (EISU), English language preessional course- University of Glasgow, 01-10-2014 to 01-09-2015.
- Python course at University of Glasgow for data analysis for one week including 5 days practical tasks.
- Advance GIS and Remote sensing skill (University of Glasgow – MSc course)
- Practical experiences with challenging fieldwork.

### 4. Language skills

- Native language : Kurdish
- Other language skills: English: Very good in Writing, reading, speaking and listening.
- Arabic: good in reading-, writing, and understanding & speaking.

### 5. Current employment

2020-now (full time)	Lecturer at University of Salahaddin - Erbil- Iraq- College of Science – Department of Geology (Teaching staff).
2016-2020	PhD researchers (Student) at University of Glasgow – UK.
2014-2015	University of Glasgow, English Pre-sessional Course
2011-2013	Assistant lecture at University of Salahaddin - Erbil- Iraq- College of Science Department of Geology. Teaching optical mineralogy and igneous petrography for undergrad students
2008-2011	Master Student at University of Salahaddin - Erbil- Iraq- College of Science Department of Geology.
2006-2008	Assistant Geologists at University of Salahaddin - Erbil- Iraq- College of Science – Department of Geology.

### 6. Teaching Experience

2017-	Lecturer at University of Salahaddin - Erbil- Iraq- College of Science Department of Geology
2015	Demonstrator at University of Glasgow-UK, School of Geography and Earth

Science (Teaching: Digital geoscience using GIS, Remote sensing and CoreDraw )-  
Undergraduate students

2011-2013 Assistant lecturer at University of Salahaddin - Erbil- Iraq- College of Science  
Department of Geology.2006-2008 Assistant Geologists at University of Salahaddin  
- Erbil- Iraq- College of Science –Department of Geology (Optical mineralogy,  
petrography Field geology).

## **7. Research funding and grants**

- Type : Ph.D. study
- Source: Higher committee for educational development in Iraq (HCED)- Prime minister office.
- Amount: 1600 USD/month

## **8. Teaching merits**

- Pedagogical training and other demonstrated pedagogical expertise– Salahaddin University- 2011- for 3 months.
- Introduction to Learning & Teaching in HE for Postgraduates- University of Glasgow-UK.
- Small Group Teaching in HE for Postgraduates- University of Glasgow-UK.
- Invigilation Training at University of Glasgow.

## **9. Other key academic merits**

- International Membership: European Geoscience Union (EGU) and EEGS (student membership).
- National Membership: Kurdistan Geologist Syndicate and Kurdistan teacher Union.
- Chairing and organizing a workshop: entitled (Water Resources and Environmental Challenges in Kurdistan Region- Iraq - 2019) in knowledge university, Erbil- Iraq.
- A Poster presentation at European Geosciences Assembly (EGU 2017) in Vienna, 23- 28/April 2017.
- A Poster presentation at 9<sup>th</sup> International conference on Geomorphology in India, 6-11 November 2017.
