- Goran, S.M.A., Omar, S.S. and Anwer, A.Y., 2017, September. Assessment of yeast as a dietary additive on haematology and water quality of common carp in a recirculating aquaculture system. In *AIP Conference Proceedings* (Vol. 1888, No. 1, p. 020023). AIP Publishing LLC.

## **Conferences Participated**

### **Paper presented at conference-oral and poster presentation**

- Anwar, A. Davies, S. Merrifield, D.2013. Evaluation the effect of white lupin (*L. albus*) inclusion and dietary supplementation of Synergen™ on

growth performance and feed utilization in diet for common carp (*Cyprinus carpio*). Postgraduate society conference series- Plymouth University- UK. (Second best poster presentations).

- Anwar, A. Davies, S. Merrifield, D.2013. Partial replacement of soya protein concentrate (SPC) meal by white lupin seed meal and Synergen™ supplementation in complete diets for juvenile mirror carp (*Cyprinus carpio*). Centre for Agricultural and Rural Sustainability (CARS) symposium. Duchy College.UK.
- Anwar, A. Davies, S. Merrifield, D.2013. Evaluation the effect of white lupin (*L. albus*) inclusion and dietary supplementation of Synergen™ on growth performance and feed utilization in diet for common carp (*Cyprinus carpio*). LUKAA Project Management Board meeting, Roland Levinsky Building, Plymouth University-UK.
- Anwar, A.Y. E. Sweetman and S.J. Davies (2014). THE POTENTIAL OF WHITE LUPIN (*LUPINUS ALBUS*) INCLUSION IN DIETS FOR JUVENILE MIRROR CARP, *CYPRINUS CARPIO*. Aquaculture Europe 2014 - Donostia–San Sebastián, Spain.

### **Grants and Awards:**

- 1- I was successful finished course about duty and work of the civil society cadres
- 2- I was successful in obtaining the second place Postgraduate Society Annual conference, Rolle Building, Plymouth University–UK.
- 3- I successfully completed course which was about the transparency in the oil and natural wealth in Iraq. It was held by peace freedom organization in Kurdistan in year 2015.
- 4- I was successfully completed course about how to become a good leader.

- 5- I successfully completed course which was about academic debate and critical thinking which was held by Salahaddin University in year 2015.
- 6- I got 6 levels in IELTS English exam in 2018.

### **Educational Certificates**

- BSc in Animal Resource-College of Agriculture- Salahaddin University-Erbil-Iraq with an overall mean of 86.288 % (Ranked 2nd over 60 students) and (Ranked 2nd over all Fourth year students in agriculture college for year 2006-2007).
- Research Master (ResM) in fish Nutrition in Department of Biomedical and Biological Science- Plymouth University-UK. 2013.
- PhD in Fish Physiology at Fish Resource and Aquatic Animal department-College of Agricultural Engineering Sciences- Salahaddin University-Erbil-Iraq

### **Additional skills:**

1. IT skills: I am able to use computer programs very well of Microsoft packages including Word, Access, and Excel. I have also good experience working with statistical programmes such as Minitab and SPSS.
2. Languages and communication skills: I have reasonable language skills (speaking, reading, listening, and writing) in English and Arabic in addition to my native language Kurdish. I have written my Modules in English. I also had to deliver lectures and presentations as a part of my job in the education field. All these activities have improved my communication skills and my ability to transfer my ideas.

3. Project management: Because I had to supervisor student at Plymouth University, besides of my study, I had to manage my time and show the ability of using project resources efficiently.
4. Writing poem, poetry, story and scenario for film. I have written a lot of poems and poetry.
