

CURRICULUM VITAE

Name: Azad Nasraddin Abdulla

Address: Zeelan, Erbil, Iraq

Mobile: 07504346604

Email: azad.abdulla@su.edu.krd

Date of birth: January 1, 1991

Nationality: Iraqi

Sex: Male

Marital status: Single

Education and certificate:

M.Sc. in Electrical Engineering (**Electronics and Computer Systems**) at Salahaddin University-Erbil-**2017**.

B.Sc. in Electrical Engineering at Salahaddin University-Erbil-**2012**. In addition, I ranked number one in our department.

Professional Background:

Nov, 2012 - Nov, 2014: Teaching Assistant (**Electronics, Power electronics and Microprocessor** Laboratory) at Electrical Engineering Department, College of Engineering, Salahaddin University-Erbil.

Courses Thought:

<i>No</i>	<i>Subject</i>	<i>Stage</i>	<i>Academic year</i>	<i>University</i>
1	Physical Electronics	First	2017 to 2021	Salahaddin University-Erbil
2	Electronics LAB.	Second	2017 to 2021	Salahaddin University-Erbil
3	Digital Logic	First	2017-2018	Salahaddin University-Erbil
4	Network Analysis II	Second	2021 up to Date	Salahaddin University-Erbil
5	Analog Electronic Circuits LAB.	Second	2021 up to Date	Salahaddin University-Erbil
6	Digital Electronic Circuits LAB.	Second	2021 up to Date	Salahaddin University-Erbil

M.Sc. Thesis: A Signal Flow Graph Technique in Realization of Higher-Order Current-Mode Butterworth and Chebyshev filters Using CDTAs.

CURRICULUM VITAE

Professional Qualification:

Design of Electronic Circuits, Modeling of Electronic Devices and Electronic Circuits, Active Network Synthesis, Active filters, Design of Analog IC Topologies and PLC.

Courses and Certificates Taken:

The Development of Academic Abilities or Teaching Methods training, Salahaddin University-Erbil/Directorate of Continuing education, **2017**.

Skill of Science computer programs: SPICE simulation & RSlogix5000.

Languages: Kurdish: native-language, English: near native-language, Arabic: Moderate.

Interests: Investigating Electrical and Electronic Circuits.
