Reviewer Appreciation Letter

I wish to state that Assist. Prof. Dr. Azad Behnan Sabow, College of Agricultural Engineering Sciences, Iraq acted in the capacity of a Reviewer for our Journal “Tikrit Journal for Agricultural Sciences (TJAS)” by Reviewing the Manuscript entitled “The effects of supplementing glycerol to the diets of Awassi lambs on carcass characteristics, physical dissection and the carcass cuts weights and proportions” on 18/07/2022. I thank him for spending his/her valuable time to Review that Manuscript and giving his/her valuable comments.
