Ms. Ref No.: FOODCHEM-D-23-00236
Title: The interaction of an effector protein Hap secreted by Aeromonas salmonicida and myofibrillar protein of meat: Possible mechanisms from structural changes to sites of molecular docking
Food Chemistry

Dear Asst. Prof. Dr. Azad Behnan Sabow,

Thank you for agreeing to review manuscript number FOODCHEM-D-23-00236 for Food Chemistry.

You should treat this invitation, the manuscript and your review (as well as other reviewer comments shared with you) as confidential. You must not share your review or information about the review process with anyone without the agreement of the editors and authors involved, irrespective of the publication outcome. If the manuscript is rejected by this journal and the author agrees that the submission be transferred to another Elsevier journal via the Article Transfer Service, we may securely transfer your reviewer comments and name/contact details to the receiving journal editor for their peer review purposes.

If possible, I would appreciate receiving your review by Mar 28, 2023.

Please note that, if present, we ask you to include Highlights and the Graphical Abstract in the reviewing process.

You may submit your comments online at the Editorial Manager: <https://www.editorialmanager.com/foodchem/>. Please login as a Reviewer using the following username and password:

Your username is: ASabow-575

If you need to retrieve password details, please go to: [click here to reset your password](#).

Dear Asst. Prof. Dr. Azad Behnan Sabow,

Thank you for your review of this manuscript.

You may access your review comments and the decision letter (when available) by logging onto the Editorial Manager at <https://www.editorialmanager.com/foodchem/>. Please login as a Reviewer.

Your username is: ASabow-575

If you need to retrieve password details, please go to: [click here to reset your password](#)

Review certificates are available for each review you performed; to access the certificates, please go to <https://www.reviewerrecognition.elsevier.com>. Certificates are normally available 2 months after the review is completed and are available during 2 years.

As a token of appreciation, we would like to provide you with a review recognition certificate on Elsevier Reviewer Hub (reviewerhub.elsevier.com). Through the Elsevier Reviewer Hub, you can also keep track of all your reviewing activities for this and other Elsevier journals on Editorial Manager.
