Reminder of Late Review for FOODCHEM-D-23-00514 Yahoo/Inbox

em@editorialmanager.com <em@editorialmanager.com> Sun, 27 Aug at 15:00

To: Azad Behnan Sabow

Ms. Ref. No.: FOODCHEM-D-23-00514
 Title: A study on the mechanism of aroma enhancement methods in accelerating congou black tea acidification during storage .
 Food Chemistry

Dear Asst. Prof. Dr. Azad Behnan Sabow,

You agreed to review Manuscript Number FOODCHEM-D-23-00514 for Food Chemistry on Jul 20, 2023. Your completed review was due by Aug 03, 2023.

Your review is now 24 days late. Therefore I would be grateful if you would submit you review as soon as possible at the Editorial Manager at <https://www.editorialmanager.com/foodchem/>. Please login as a Reviewer.

Your username is: ASabow-575

If you need to retrieve password details, please go to: [click here to reset your password](#)

You may access the submission record in the "Pending Assignments" folder on your Main Menu page. Please click on the "Submit Reviewer Recommendation" link to submit your reviewer comments to the author and Editor.

Thank you in advance for your cooperation.

This is an automated reminder. You do not need to reply. However, if you have any questions, please contact the Food Chemistry Editorial Office (foodchem@eurofir.org).

For further assistance, please visit our customer support site at <http://help.elsevier.com/app/answers/list/p/7923> Here you can search for solutions on a range of topics, find answers to frequently asked questions and learn more about EM via interactive tutorials. You will also find our 24/7 support contact details should you need any further assistance from one of our customer support representatives.

Kind regards,

Editorial Manager

Dear Asst. Prof. Dr. Azad Behnan Sabow,

Thank you for your review of this manuscript.

You may access your review comments and the decision letter (when available) by logging onto the Editorial Manager at <https://www.editorialmanager.com/foodchem/>. Please login as a Reviewer.

Your username is: ASabow-575

If you need to retrieve password details, please go to: [click here to reset your password](#)

Review certificates are available for each review you performed; to access the certificates, please go to <https://www.reviewerrecognition.elsevier.com>. Certificates are normally available 2 months after the review is completed and are available during 2 years.

As a token of appreciation, we would like to provide you with a review recognition certificate on Elsevier Reviewer Hub (reviewerhub.elsevier.com). Through the Elsevier Reviewer Hub, you can also keep track of all your reviewing activities for this and other Elsevier journals on Editorial Manager.

If you have not yet activated your 30 day complimentary access to ScienceDirect and Scopus, you can still do so via the [Rewards] section of your profile in Reviewer Hub (reviewerhub.elsevier.com). You can always claim your 30-day access period later, however, please be aware that the access link will expire six months after you have accepted to review.
