

Academic Curriculum Vitae

Personal Information:

Full Name: Azad Shamsaddin Salih

Academic Title: Lecturer

Email: azad.salih2@su.edu.krd

Mobile: 07504612428

Education:

I have a BSc in Animal Resources department – College of Agricultural Engineering sciences – Salahaddin university- Erbil, Kurdistan Region of Iraq in 2000 and a MSc degree in Animal Resources - Salahaddin university in 2006, and I gained a PhD in Poultry Production in Animal Resources - Salahaddin university in September 2023.

Employment:

- I employed in 9/10/2001 in Animal Resources department – College of Agricultural Engineering Sciences – Salahaddin University

Qualifications

- Teaching qualifications
- IT qualifications
- Language qualifications such as IELTS and English language center courses in Salahaddin University

Teaching experience:

- Principle of animal production
- Principle of statistics
- Experimental Design and analysis

- Agricultural Extension
- Animal projects
- Scientific supervisor

Research and publications

| Title of thesis, dissertation \ researches | Approved to be published | Publishing place | Volume | Date |
|--|--------------------------|---|--------|--------------------------|
| Effect of plane of nutrition during late pregnancy on milk production and lambs growth of Hamdani ewes. | Thesis | Salahaddin University | - | 2005 |
| Effect of Plane of Nutrition during Late Pregnancy and Early Lactation on Milk Production and Lambs Growth of Hamadani Ewes | Research | Jordan Journal of Agricultural Sciences | 4 | 2008 |
| Study of some blood characteristics and biochemical of Hamdani ewes during late pregnancy and after birth. | Research | Al-Anbar Journal of Veterinary Sciences | 3 | 2010 |
| Study of milk production and its components on Hamdani ewes. | Research | Journal of Tikrit University for agricultural sciences | 13 | 2013 |
| Comparative study on milk yield and its composition between black mountain and Damascus (Shami) Goat. | Research | The 2 nd Scientific Agricultural conference. Duhok, Iraqi Kurdistan region | --- | 2016 |
| Effect of Different Food levels on Some Characteristics of growth and Blood values for Karadi Lambs. | Research | Journal of Tikrit University for agricultural sciences | 16 | 2016 |
| Effect of vitamin AD3E utilization at the pregnancy period and parturition on blood parameter for dairy cattle. | Research | International Journal of Advanced Research in Biological Sciences | 3 | 2016 |
| Effect of nutrition by using different levels of Nigella Sativa seeds on productive performance and biochemical parameters for Arabi lambs in Erbil. | Research | Journal of University of Kirkuk for Agriculture Sciences' | 8 | 2017 |
| Effect of Different Feeding Levels of Alfalfa Based Feed and Marketing Age on Economic Efficiency and Productive Performance of Pekin Ducks in Kurdistan Region of Iraq. | PhD Dissertation | Salahaddin University | - | 2023 |
| Effect of Different Feeding Levels on Productive Performance and Economic Feasibility of Pekin Ducks in Kurdistan Region of Iraq | Research | Iraqi journal of Agricultural sciences | 55 | Accepted for publication |

| | | | | |
|--|----------|--|----|--------------------------|
| Effect of Different Feeding Levels on Physico-Chemical Traits for Main Carcass Cuts of Pekin Ducks in Kurdistan Region of Iraq | Research | Iraqi journal of Agricultural sciences | 56 | Accepted for publication |
|--|----------|--|----|--------------------------|

Professional memberships

- Examination committees 2006
- Examination committees 2007
- Examination committees 2011
- Scientific supervisor committees in the field
