

Academic Curriculum Vitae

Personal Information:

Full Name: Azheen Subhi Abdulrahman
Academic Title: Assistant Lecturer
Email: (university email): azheen.abdulrahman@su.edu.krd
Mobile: 07507878987

Education:

1. B.Sc. in Biology (Salahaddin university - College of Science - Biology department 2011)
2. MSc. in Histology (Salahaddin university - College of Science - Biology department 2019)

Employment:

1. Bachelor: 2011
2. Master degree: 2019

Qualifications

- Teaching qualifications: Assistant lecture of Histology, Embryology, Cell biology and Microtechnique
- IT qualification: Familiarity with Microsoft Word, Excel, and PowerPoint and other statistic programs like graphpad and spss.
- Language qualifications:
 - Kurdish: Native
 - Arabic: Fluent
 - English: V. good
 - Swedish: Good
- English Language Course at Language Centre/ Salahaddin University. (Upper intermediate level).
- International English language testing system /Academic (IELTS) at British council/Erbil and received 5.5.

Teaching experience:

- From 2011 to the present
- Botany
- Practical pollution laboratory
- Cell biology course
- Microtechnique course
- Human histology
- Human embryology

Research and publications

- Impact of bicalutamide, an anti-androgen on rat testis. Zanco Journal of Pure and Applied Science. Volume 31, Number 2, 2019
<https://zancojournals.su.edu.krd/index.php/JPAS/article/view/2615/1726>
DOI: <https://doi.org/10.21271/zjpas.31.2.12>

Laboratory Skills

- Techniques, Paraffin method for light microscope, plastic method for TEM, Biochemical methods, Hematological methods and estimation of hormones by miniVIDUS, ELISA and COBAS....etc.
- Familiar with molecular techniques such as cloning, DNA and RNA extraction, PCR, gel electrophoresis and immunoblotting.
- Background about viral production and transduction.
- Blood collection from both human and rat.
- Staining of cells by different way such using special stains.

Conferences and courses attended

- 9th International ICOWOBAS 9 conference (2023)
- National Academic Symposium of Islamic Medicine (NASIM), held by Salahaddin University-Erbil 2022
- 2nd International Conference of Medical and Biological Techniques (ICMBT 2021) 10th-11th November 2021
- 4th International Conference on Biological & Health Sciences (CIC-BIOHS'2022).
- 2nd Student Research Project & Idea Grant Conference Salahaddin University-Erbil 2022.

- 3rd National Tishk Pharmaceutical Conference (NTPC) on “Recent Advances in Cancer Therapy (RACT)” on 30th April 2023.

Funding and academic awards

Scholarship from the higher committee for education development (HCED) – Iraqi government - 2014.

Professional memberships

- Kurdistan Biology Syndicate /Hawler
