

Supervisor – Student Meeting Record

TIU.FA.FR.211E , Rev:00 , Availability : March 2022

Department: Surveying and Geomatics Engineering Department

Date: 13/10/2022

Student Name: Ivan Nizar, Bwer Mukhlis, Diyar Musa

Supervisors Names: Bakhtyar Ahmed Mala

In the first meeting the supervisor explain the purpose of the project and the method of performing this research based on the available instruments in the department.

Discussed Points:

- What is the aim of the project title
- What is the procedure to performing this project
- Preparing a plan for doing this project

Tasks to be done for the next meeting :

They must search form some academic sites such as research gate, academia, Google Scholar.

Searching for the case study and selection

Date & of Next Meeting: 20/10/2022

Student Signature:

Supervisor(s) Signature

Supervisor – Student Meeting Record

TIU.FA.FR.211E , Rev:00 , Availability : March 2022

Department: Surveying and Geomatics Engineering Department

Date:

Student Name:

Supervisors Names:

Discussed Points:

They searched for some academic research gate, academia, Google Scholar

We decided and selected some related papers on the object.

We discussed the software used for this purpose.

Selected some case study for their project

Tasks to be done for the next meeting :

Each student must bring three papers that related to our topic

Studied about the selected software.

Take permission for taking photo of the selected area.

Supervisor – Student Meeting Record

TIU.FA.FR.211E , Rev:00 , Availability : March 2022

Department: Surveying and Geomatics Engineering Department

Date: 27/10/2022

Student Name: Ivan Nizar, Bwer Mukhlis, Diyar Musa

Supervisors Names: Bakhtyar Ahmed Mala

Photo-modular scanner software selected

Discussed the papers that they searched for

Choosing the related papers and reject the other

Discussed Points:

Tasks to be done for the next meeting :

Installing the software

Read the selected papers and give an abstract on the papers.

Date & of Next Meeting: 03/11/2022

Supervisor – Student Meeting Record

TIU.FA.FR.211E , Rev:00 , Availability : March 2022

Department: Surveying and Geomatics Engineering Department

Date: 03/11/2022

Student Name: Ivan Nizar, Bwer Mukhlis, Diyar Musa

Supervisors Names: Bakhtyar Ahmed Mala

Checking the papers and discussed on the papers to review.
 Guiding the students to read the papers and dividing on the students

Discussed Points:

Reading their papers and write a paragraph on the reviewed paper
 Installing the selected version of the software

Tasks to be done for the next meeting :

Date & of Next Meeting: 10/11/2021

Student Signature:

Supervisor(s) Signature

Supervisor – Student Meeting Record

TIU.FA.FR.211E , Rev:00 , Availability : March 2022

Department: Surveying and Geomatics Engineering Department

Date: 10/11/2022

Student Name: Ivan Nizar, Bwer Mukhlis, Diyar Musa

Supervisors Names: Bakhtyar Ahmed Mala

We do not have meeting due to midterm exam
Checking the papers and discussed on the papers to review.
Guiding the students to read the papers and dividing on the students

Discussed Points:

Tasks to be done for the next meeting :

Reading their papers and write a paragraph on the reviewed paper
Installing the selected version of the software

Date & of Next Meeting: 17/11/2022

Supervisor – Student Meeting Record

TIU.FA.FR.211E , Rev:00 , Availability : March 2022

Department: Surveying and Geomatics Engineering Department

Date: 24/11/2022

Student Name: Ivan Nizar, Bwer Mukhlis, Diyar Musa

Supervisors Names: Bakhtyar Ahmed Mala

Discussed the writing part and guiding to formulate the writing

Explanation some notes about write research

Explanation the format of writing

Discussed Points:

Correct their problems in the reviewed writing part.

Preparing a calibration sheet for the camera.

Checking the camera focal length

Tasks to be done for the next meeting :

Date & of Next Meeting: 01/12/2022
