

The image features a solid light pink background. On the left side, there are three palm trees of varying heights and positions. A large, white, brushstroke-like graphic shape is positioned on the right side, overlapping the pink background and the palm trees. The text is contained within this white shape.

B: Building background knowledge

- At university, **lecturers** often give assignments with **deadlines**, for example: 'you must write 2000 words on a particular **topic** by next Tuesday.' you must do research for an **assignment** in the library or on the internet. This is called **secondary research**. You must find out about the research and ideas of other people. However, sometimes you must do **primary research**. This is 'first' research. It means doing an **experiment** yourself and **record** the results. You must then analyze the **data**.
