

CURRICULUM VITAE

Personal details

Name : Dana Faiq Hoshiyar Mustafa
Date & Place of Birth : 19 th , January 1953 / Sulaimanyah – Iraq .
Marital status : Married ,
Home address : Iraq- Arbil, Zanko village , No. 18 .
Telephone number : +964 750 4520237 (Mobile)
E-mail : danahoshyar@gmail.com , dana.mustafa@su.edu.krd

Education

1-Baccalaureate, Baghdad College/Baghdad (Secondary school), 1971 .
2-B.Sc. degree in Food Science, 1975/ College of Agriculture/University of Baghdad
3-M.Sc. Degree in Food Science(Food Microbiology), 1978 /College of Agriculture/
University of Baghdad .

Experience

A- Scientific Posts

1-Assistant lecturer from 30/4/1980 .
2- Lecturer from 2/11/1984 .
3- Assistant Professor from 9/12/1989 .

Places of Posts :-

1- Department of food science ,College of Agriculture , University of Sulaimanyah
from 0/4/1980 to 31/8/1981.
2- Department of food science ,College of Agriculture , Salahaddin University
from 1/9/1981 to 31/8/1987.
3- Department of Biology ,College of Science, Salahaddin University
from 1/9/1987 up to date.

B- Administrative Posts

- 1-Director of Scientific affairs/ College of Agriculture / Salahaddin U/ 1985-1987 .**
- 2-Director of Postgraduate studies/Presidency of the Salahaddin University/ 1987-1988 .**
- 3- Director of Scientific affairs/ College of science / Salahaddin University/ 1988-1992 .**
- 4- Director of Students affairs(General Registrar)/Presidency of the Salahaddin University/ 1992-1994 .**
- 5- Director of Central Admissions /Ministerial Council / 1994-1995 .**
- 6-Assistant of Dean of Pharmacology college/ Salahaddin University/1997-1997.**
- 7-Director of scientific affairs & Postgraduate studies /College of Science/ Salahaddin University/ 1997-2004 .**
- 8-Member of the central committee for scientific grades 2003-2006 .**
- 9-Assistant of Dean of Postgraduate Studies college/Salahaddin University/10/2004- To 11/2008 .**
- 10- General Registrar of Salahaddin University from 11/2006 up to date.**

Letters of thanks and appreciations

More than 40 letters of thanks and appreciations

C- Supervising (16) M.Sc. students :-

- a- Thirteen (13) students at College of Science / Salahaddin University.**
- b- One (1) student at College of Agriculture / Salahaddin University.**
- c- One (1) student at College of Agriculture / University of Dohuk .**
- d- One (1) student at College of Agriculture / University of Sulaimanyah .**

Publications

- 1- Microbial counts on surfaces of lam carcasses and shelf-life of refrigerated ground lamb. 1982 . J. of Food protection . Vol. 45 , No. 11.
- 2- Microbial quality and shelf-life of ground lamb and phage typing of *S.aureus* 1982. Lebensmittel-wissenschaft &tech. Vol. : 15, No. : 2.
- 3- Sensitivity of some microorganisms to spices. 1983. J. of Zanko. (the scientific journal of salahaddin university) Vol.: 8 , No.: 3 .
- 4- A microbial study of some roasted meats at the Aski-Kalak retail restaurants. 1984. J. of Zanko (Iraqi journal of agricultural sciences) Vol.: 2, No.:3 .
- 5- A bacteriological study of frozen stored meats. 1987J. of Zanko (Iraqi journal of agricultural sciences) Vol.: 5, No.: 4 .
- 6- Chemical composition in relation to quality of locally produced vinegars. 1986. J. of zanko (Iraqi journal of agricultural sciences) Vol.:4, Supplement .
- 7- Detection of thermostable α -amylase in locally *Bacillus spp.* Isolates . 1990 . J. of Education college (Univ. of Salahaddin) Vol.: 1, No.:3 .
- 8- Pickling of turnip and study of suitability of different methods for turnip pickle preservation. 1990. Mesopotamia journal of agriculture (Univ. of Mosul) Vol.: 22 , No. : 2 .
- 9- Microbiological quality of some locally processed cheeses in Arbil city. 1999. J. of Zanko (special volume for the papers of the abolished journal of science & Nature of college of science, Salahaddin University).
- 10- Microbiological study on local soft cheese in Dohuk city. 2001. J. of Dohuk Uni. Vol.: 4 , No.: 1 .
- 11- Effect of garlic,sodium chloride,blackseed oil and some antimicrobial agents on *Bacillus cereus* isolated from some local foods in Erbil city(Iraq).2004. J. of Zanko (J. of pure and applied science of Salahaddin university)vol.: 16 No.:4 .
- 12- A study of enterotoxigenic *Staphylococcus aureus* isolated from some dairy products in Erbil city center.2004. J. of Zanko (J. of pure and applied science of Salahaddin university)vol.: 16. No.:4 .

- 13- Identification of *Escherchia coli* isolated from roast meat in Erbil city .2004. J.of Zanko(J. of pure and applied science of Salahaddin university)vol.: 16. No.:5 .
- 14- The prevalence of *Clostridium perfringens* in some roast meats in Erbil city center with some physiological studies . 2005. J.of Zanko(J. of pure and applied science of Salahaddin university)vol.: 17, No.: 1 .
- 15- Effect of Tempertaure and NaCl on *Brucella* spp. Isolated from dairy products In Sulimani Province. 2008. Kurdistan Academician Journal Part (A). Vol. : 6 No. : 1 .
- 16- Isolation and identification of gram-negative bacteria from local foods in Erbil City center. 2008. J.of Zanko(J. of pure and applied science of Salahaddin university)vol.: 20 , NO : 1.
- 17- 17. Detection of Enterotoxigenic *Staphylococcus aureus* in raw milk of cows reared in Erbil Province/IRAQ.2019 Zanko .Journal of Pure and applied sciences.Vol.31 no.4.

Tittles of M.Sc. Thesis supervised

- 1- Microbiological study on local youghurt and coft cheese in Dohuk city. January 2000 .University of Dohuk / College of Agriculture .
- 2- Identification of *Escherchia coli* isolated from some local foods in Ebil city. November 2000. Salahaddin University/ College of Science .
- 3- Physiology of *Clostridium perferingens* isolated from some roat meats in Erbil city.June 2002. Salahaddin University/ College of Science .
- 4- Physiology of *Staphylococcus aureus* isolated from some dairy products in Erbil city center.October 2002. Salahaddin University/College of Agriculture .
- 5- Physiology of *Bacillus cereus* isolated from some local foods in Erbil city center.November 2002. Salahaddin University/ College of Science .
- 6- Isolation and identification of some gram negative bacteria and *Salmonella Spp.* From chicken and dairy products in Erbil. January 2003. Salahaddin University / College of Science .

- 7- Isolation and identification of some gram negative bacteria from some local foods in Erbil city center with physiological study of *Shigella flexneri* .September 2005. University of Salahaddin / College of Science .**
- 8- Effect of some environmental factors on growth of *Brucella spp.* Isolated from dairy products in Sulimania province .January 2006. University of Sulaimani /College of Agriculture .**
- 9- Occurrence of *Listeria species* in some local foods in Erbil city with a physiological study of *Listeria monocytogenes* . September 2006. Salahaddin University/ College of Science .**
- 10- Antibacterial activity of some aqueous and ethanol plant extracts against some foodborne pathogenic bacteria . April 2008. Salahaddin University/ College of Science .**
- 11- A bacteriological study of *Campylobacter spp.* isolated from some local foods in Erbil city center. January 2009. Salahaddin University/ College of Science.**
- 12-Identification of *E.coli O57:H7* isolated from some local foods in Erbil city by PCR essay. May 2009. Salahaddin University/ College of Science .**
- 13. Isolation and Identification of *Yersinia* species from some local food in Erbil city with physiological study on *Yersinia enterocolitica* . Sept.2013. Salahaddin University/ College of Science .**
- 14. Effect of some fruit peels extracts , antimicrobial agents and probiotics on planktonic and biofilm forming of foodborne pathogenic bacteria. May 2015. . Salahaddin University/ College of Science .**
- 15. Physiological study of Enterotoxigenic *Staphylococcus aureus* isolated from raw and roasted red mince meat in Kirkuk city. March 2016. . Salahaddin University/ College of Science .**
- 16. Detection of Enterotoxigenic and Methicillin Resistance *Staphylococcus aureus* strain isolated in Raw milk of cows reared In Erbil Province –Iraq.August,2019 .Salahaddin University/College of Science.**
