**Subject: Invitation for One-Year Sabbatical Leave**

ATTESTERAD 2023-06-15

I hope this letter finds you in good health and high spirits. On behalf of the Department of Medicine at Karolinska Institute, we are delighted to invite you to take a one-year sabbatical leave.

We have closely followed your impressive contributions to molecular medicine and research's significant impact in recent years. Recognizing your expertise and the value you bring to the medical community, we believe that a sabbatical leave at Karolinska Institute will provide an excellent opportunity for you to explore your research interests further and collaborate with our esteemed faculty.

During your sabbatical, you will have access to our state-of-the-art facilities, extensive research resources, and a vibrant academic environment. We encourage you to engage with our faculty members and students, fostering intellectual exchange and interdisciplinary collaboration. You will also have the chance to participate in seminars, conferences, and other academic events organized by the institute.

Karolinska Institute has a strong commitment to promoting groundbreaking medical research and innovation. We firmly believe that your involvement during this sabbatical period will enrich our research community and contribute to our collective pursuit of advancing medical knowledge.

We look forward to the possibility of welcoming you to Karolinska Institute and working together towards advancing medical knowledge. Your participation will undoubtedly make a valuable contribution to our research community.

In case of inquiry, please do not hesitate to contact me.

Yours sincerely,

**Alamdar Hussain**
