

**Karolinska
Institutet**

KAROLINSKA INSTITUTET

hereby awards this

DIPLOMA

to

Dara Mohammad

for completing Karolinska Institutet's

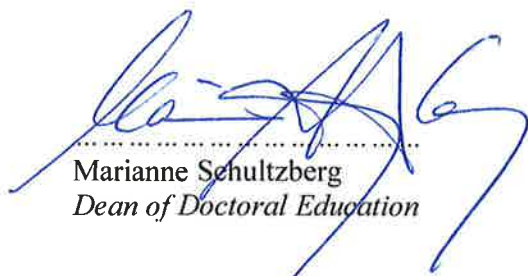

Introductory Doctoral Supervision Course
September 24-27, 2018

The course is equivalent to a one-week higher education credit

Course contents:

The course covers various roles and responsibilities of the doctoral supervisor; supervisor power, influence and expectations; relationship supervisor/doctoral candidate; communication; research ethics and plagiarism; equal opportunities; cross-cultural communication; recruitment; legal aspects of doctoral education; rules and organization of doctoral education at KI and outcome-based doctoral education. The course includes a Web course for doctoral supervisors, and KI's web course on Equal Treatment and an individual written assignment.

Stockholm, September 2018
