

Dear Dr. Dleen Al-Sharafany
The person in charge of scientific affairs & postgraduates
College of Engineering, Salahaddin University – Erbil.

Linguistic Evaluation,

Reference to your numbered order (١٠٣/٣٠ ن) issued in 16/8/2020,
related to my assignment as a linguistic evaluator for the doctoral thesis
entitled:

"Nonlinear Control of Robot Manipulators with Uncertainties"

I inform you that I have read the thesis and confirm that it is sound in
terms of written language and is largely free of linguistic and
grammatical defects, as it relied on scientific language related to the
research topic and field of specialization. Therefore, I support its
linguistic integrity and sign it below.

Yours sincerely,

Asst.Prof.Dr. Faris Ali Mustafa
Department of architecture, College of Engineering
