Dear Sir/ Madam,

This is to confirm that Mr. **Govan Tahseen Shukri** has been working as a **Senior Shaper** at our organization since 2015 and has participated in and conducted a number of projects and activities that have been held by our organization.

The Global Shapers Community was found in July 2011 as an initiative of the World Economic Forum which successfully established a history of engaging outstanding young leaders to positively and proactively impact the global agenda. This new community – the Global Shapers Community provides youth with a global platform to shape the future and it enables them to be a voice for the future.

GSC is an independent, neutral, non-political and nonprofit and it is a network of 453 city-based Hubs developed and led by over 5188 promising young leaders with great potential for future leadership roles in society between the ages of 20 and 30. The shapers are exceptional in their potential, their achievements and their drive to make a contribution to their communities.

Sincerely,

Global Shapers Community
