

Academic Curriculum Vitae

Personal Information:

Full Name: Hamid Turki Miliki
Academic Title: Asst. Prof
Email: hamid.maliki@su.edu.krd
Mobile: 07703132408
07517825672

Education:

- B.Sc. Architectural engineering 1982, Baghdad University, College of Engineering.
- MSc. in Urban & Regional Planning 1997, Baghdad University, Post Graduate institute for Urban & Regional planning.
- Ph.D. in Architectural Engineering 2003, Baghdad University, College of Engineering.

Employment:

- Part time lecturer in the institute of technology in Basra from 1984-1987
- Director of Basra physical planning department. (Full time) 1986-1995. Ministry of Local Governance –Iraq.
- Studying MSc and PhD 1995-2003
- Full-time lecturer in Basra University, College of Engineering, Department of Architectural Engineering 2003 to 2007
- Full time Lecturer in Salahaddin University-Erbil, College of Engineering, Department of Architectural Engineering, 2007-till now

Qualifications

I have promoted to be Assistant professor in 11-11-2017

Teaching experience:

- Architectural Design 5th year
- Architectural thesis Design 5th year
- Life safety in buildings-5th year
- Urban design 4th year
- Theories of Urban design and Planning - MSc
- Philosophy of public open space – PhD

Research and publications

- Role of Pre-existing settlements in the Urban Expansion of Erbil, *Eurasian Journal of Science & Engineering*, 2017.
- Using Public Participation Approach to Draw Urban Future of Al-Chybaish City, *Journal of College of Engineering, Tikret University*. 2012.
- Critical Study on Samara Master plan, *Iraqi Journal of mechanical Engineering and materials engineering, College of Engineering, Babil University*, 2011.
- The Rate of Building Regulation Implementation in Sarbasty neighborhood /Erbil, 1st scientific conference of college of Engineering –Salahadden University ,2016
- Waste of Space in the Design of Contemporary Local Dwelling Units, *Eurasian Journal of Science & Engineering*. ISSN 2414-5629 (Print), ISSN 2414-5602 (Online December 1, 2017
- The impact of land potential on urban transformations as measured by performed activities in residential neighborhoods of Erbil city. *Sulaimani Journal for Engineering Sciences / Volume 5 - Number 1 – 2018*
- Contribution of Local Urban Discourse in Highlighting the Relationship between Security and Urban fabric: Lessons Learned from the War against Terrorism in Iraqi Cities. 1st International Conference on Architecture and Interior Design Applications 2018 (ISSN: 978-0-9962570-8-4)
- Influence of street design characteristics on walkability: Case studies of two neighborhoods in Erbil. *ZANCO Journal of Pure and Applied Sciences Vol 30 No 3 (2018)*
- Influences of Environmental Quality and safety & security on the Liveability of Residential Complexes in Erbil City, *ZANCO Journal of Pure and Applied Sciences Vol 33 No 1, 2021*
- Influences of the Accessibility and Availability of Green Spaces on the Livability of Residential Complexes in Erbil City, *ajcea*, January 2020

- The Impact of Accessibility and Connectivity on Walkability in Public Open Spaces at City Center of Erbil, *Eurasian Journal of Science & Engineering*, v9(1) ,2023

Conferences and courses attended

- I have attended in many scientific conferences especially local ones such as the 1st International Conference on Architecture and Interior Design Applications 2018, 1st and the 2nd scientific conference of college of Engineering –Salahadden University ,2016and 2019.

Funding and academic awards

- Rewarded by Tamayouz Excellence Award & Coventry University as the (Supervisor of the year 2013). Three of my students have occupied the top 10 out of over 100 participating students with their graduation projects. The award has been judged by International Judging Panel at the Coventry University.
- Invited by the Coventry University Faculty of Engineering & Computing as an Honorary Research Fellow for two years - 2013. The visit is not accomplished yet

Professional memberships

- Iraqi Engineers Union
- Kurdistan Engineers Syndicate
