## **Professional Social Network Accounts:**

I am Hasan Rasool Hussin graduated from Arabic Department in College of Languages/University of Sallahadin in 2009-2010, then I got my MA degree from Sudan in 2014-2015,Specialized in Applied Linguistics, I managed A lot of Seminars regarding the Education system in Kurdistan and made a comparative linguistics studies between Kurdish and Arabic Languages, attended number of courses to improve my qualifications in my teaching career. Rewarded from different directions for my efforts in the educational system and my memberships in different committees.

I have sufficient experience in teaching Arabic to non-native speakers, and in the fields of applied linguistics, developing Arabic language skills, psycholinguistics, sociolinguistics, educational linguistics, methods of teaching Arabic to non-native speakers, preparing curricula for teaching Arabic for other special purposes generally , building language tests, educational techniques, and others.

I worked as a teacher in secondary and preparatory schools in the Ministry of Education, including: a teacher at Mahwi Evening Preparatory School in the city center of Erbil, and Mulla Omer Junior High School and Shayan Elementary School in Shaways Complex.

Now i am an assistant instructor in The Ministry of Higher Education, Salahaddin University Higher Education of Shaqlawa. I have friends from all over Iraq and in many countries outside Iraq, where I am active in social media, such as Facebook, Twitter, WhatsApp, Telegram, Instagram and more.

I love conversation and mutual dialogue and try to treat everyone according to their age and culture. I love forgiveness and apologies.

I love my country, Iraq, and my homeland, the Kurdistan Region, and I hope to see it the best region in the whole world.

I am 62 years old and in good health.

I look at life through windows colored with the colors of hope and optimism, and I find that this universe is vast, dazzling and beautiful, and I find that life is wonderful in all its colors, and all colors in it are charming without exception, and I find that the best moments in it are to make myself and others happy And death is the station of obtaining paradise, which is the pinnacle of happiness.

I see that this quality assurance strongly helps faculty members to improve their teaching and research writing skills.
