Thank you for volunteering to review in 2022

Dear Hassan Hadi Abdallah,

Reviewers and peer review are absolutely vital to the academic publishing process and we'd like to express our deepest gratitude to you for volunteering your time and expertise as a reviewer. Your ongoing support means a great deal to us and we couldn't continue to support the advancement of science without you.

Letter from the Editor

“Reviewers are key in holding the quality and scientific soundness of research published in any journal. Through this message, we would like to acknowledge all your hard work and contribution to keep the high standards of the journal. We really appreciate the contribution of each of you during these hard times and wish to count on you in the upcoming year!”

Anderson Sant'Ana, PhD. | Editor-in-Chief of *Food Research International*
University of Campinas, Brazil

Once again, a heartfelt thank you for your ongoing support, and we wish you all the very best for 2023 and beyond.

Check out Elsevier's Reviewer Hub where you can manage your review activity, claim your rewards, and download your reviewer activity reports and recognised reviewer certificates.
