

Academic Curriculum Vitae

Personal Information:

Full Name: Dr. Hassan Hadi Abdallah

Academic Title: Professor

Email: hassan.abdullah@su.edu.krd

Mobile: 07509013134

Education:

Ph.D. in 2003, in Quantum Chemistry from Baghdad University, Iraq

MSc. In 2000, in Quantum Chemistry from Baghdad University, Iraq

Bachelor degree in Chemistry in 1997 from Baghdad University, Iraq

Employment:

Professor at Chemistry department, college of education, Salahaddin University-Erbil

Teaching experience:

Advanced Computational Chemistry, Advanced Quantum Chemistry, Physical Pharmacy, Dosage Forms, Drug design and Advanced Nanotechnology, Kinetics, Thermodynamics.

Research and publications

2 Chapter of Book, 120 published articles and 28 conferences.

Professional memberships

Conference Board Membership:

International Conference on Pure and Applied Chemistry, ICPAC (2010, 2012 and 2014)

International Computational Chemistry Science, 2016, international advisor.

Reviewer and advisor in the following journals:

Journal of Chemical Information and Modeling

Spectrochimica Acta Part A: Molecular and Biomolecular Spectroscopy.

Journal of Molecular Simulation

ScienceOpen

Zanko Journal
