Reminder - In case you have not seen the message below.

Dear Prof. Ibrahim Hawkar.

Paper ID : GAE27510G

Title : Optimum Design Solutions for Tall Reinforced Soil Retaining Walls on Weak Soils

The above paper has been re-submitted after the revisions were made in accordance with your comments.

I would appreciate if you let me know whether the paper is now publishable in the "Geomechanics and Engineering, *An International Journal*". Please provide your opinion on the review form and return it to us at your earliest convenience but not later than a week from today. If we do not hear from you in a week, may we presume no more comments from you.

To view and/or download the revised manuscript and your previous review comments(PDF); [\[View\]](#)
To complete the Review Form; [\[Review Form\]](#)

Thank you again for your kind cooperation.

Sincerely yours,

Chang-Koon Choi, Ph.D

Dear Dr. Chang-Koon Choi,

I hope this email finds you well. I am writing to convey my final decision regarding the manuscript with Paper ID GAE27510G, titled "High MSE wall design on weak foundations," which I was assigned to review for "Geomechanics and Engineering, An International Journal."

Unfortunately, I encountered issues with submitting my review through the designated website. Therefore, I am sending my final decision and comments directly via this email. Please find the attached document containing my detailed evaluation and decision regarding the publishability of the manuscript.

I appreciate the opportunity to review this work and hope my feedback assists in the editorial process. If there are any further actions needed from my side, please do not hesitate to let me know.

Yours Sincerely,

Hawkar Hashim Ibrahim

MSc. in Civil Engineering: Geotechnical Engineering; University of Nottingham, the UK

PhD student in Geotechnical Engineering; Salahaddin University -Erbil

Dear Prof. Hashim Ibrahim:

Thank you very much for your re-review of the paper.

I would appreciate your efforts and time spent to re-review the paper and look forward to your enjoyable association with the Journal in the future. Your comments will be seriously considered in the final editorial decision.

Sincerely yours,

Chang-Koon Choi

Editor-in-Chief
