Dear Dr. Ibrahim,

Thank you for your review of the manuscript titled "Study of soil reinforcement in the east of Mashhad using glass powder" by Mohammad Saleh Baradaran for Advances in Materials Science and Engineering. After taking into account the reviews and the recommendation of the Academic Editor, I can confirm this article has now been rejected.

No further action is required at this time. To see more details about this decision please view the manuscript details page.

If you have any questions about this decision, please email them to undefined as soon as possible. Thank you for reviewing for Advances in Materials Science and Engineering.
