

# Academic Curriculum Vitae

## Personal Information:

Full Name: Hawzheen Yassen Hussen

Academic Title: Assistant Lecturer

Email: (hawzheen.hussen@su.edu.krd)

Mobile: 07504410434

## Education:

- MSc. Salahaddin University (December 2012 to June 2015) theoretical part & practical part (Salahaddin University). Bachelor: Chemistry Department / College of Education - Salahaddin University – Erbil (October 2006 to June 2010)
- Secondary School: Halalla Preparatory School (October 2003 to June 2006)

## Qualifications

- Teaching Method – Salahaddin University (October 2015 to November 2015)
- IT qualifications: Operating systems (All windows versions)  
Microsoft Office Packet (2003, 2007, 2010 & so on)
- Language qualifications: IELTS (Overall Band Score 5.0)

## Teaching experience:

- Salahaddin University - November 2015 to present - Full-time - Erbil - Laboratory instructor for undergraduate chemistry department.
- Practical organic compound for 3rd year of chemistry department since (2015-2017) & (2019-2021).
- Practical of organic compound in laboratory for 4<sup>th</sup> year of chemistry department since (2017-2020).

- Practical of organic compound in laboratory for 2nd year of chemistry department since (2021-2022).
- Basic principle in organic chemistry for 2nd year of college of Agriculture/soil and water department since (2015-2018).
- Practical analytical chemistry 1st year of biology department in college of education since (2020-2021).
- Basic principle in organic chemistry 1st year of biology department in college of education since (2015-2023).

## Conferences and courses attended

- Give details of any conferences you have attended, and those at which you have presented delivered poster presentations.

## Professional memberships

- Chemistry Sendycate: 24-10-2010
- Kurdistan Teaching Union 01-01-2010
- Salahaddin University- Culture Center 23-08-2010

## Cover Letter

Dear Sir/Madam

In June 2015 I completed my M.Sc. studies also obtained Certificate in August 2015 in preparation of some new organic compound such as azo, chalcones, pyrazolines and thiazoles. I did my theoretical and practical part, at Salahaddin University. This has given me a range of practical capabilities that will meet the needs of modern studies.

While completing my MS.c. studies I worked more than eight years' experience in teaching practical and theoretical chemistry subjects for second, third- and fourth-year graduate students specifically Analytical chemistry and Organic chemistry in Agriculture and Education college (Salahaddin University).

My responsibilities in these roles teaching the student the objective of their chemical experiments, properly carry out the experiments, and appropriately record and analyze the results. Furthermore, developing a sufficient background for those students who wish to study more advanced organic chemistry topics and continue their future studies in this field. This position has given me key employability skills while also allowing me to experience working in a professional and fast-paced work environment.

### **Summary of Qualifications:**

- Assistant chemistry at inorganic chemistry laboratory. (2011-2012)
- Membrane ship quality assurance committee. (2019-2023)
- Membrane ship of Health and safety committee (2019-2022).
- Membrane ship of absence of student committee (2011-2012).
- Membrane ship of departmental examination committee (2018-2022).
- Membrane ship of college examination committee (2022-2023).
- Membrane ship of IT committee (2019-2023).
- Membrane ship of work shop and seminars committee (2018-2023)
