

CHALLENGES OF WATER MANAGEMENT IN THE KURDISTAN REGION OF IRAQ

You are cordially invited to attend the "Water Management Challenges in the Kurdistan Region of Iraq" Workshop.

This workshop brings together local and international experts, academics and government officials to discuss challenges to water management in the KRI, discuss environmental and human aspects of the challenges and recommend solutions. The workshop is organised in partnership between the University of Kurdistan Hewlêr (UKH) Centre for Environmental Studies (CES) and KRG's Ministry of Agriculture and Water Resources/General Directorate of Water Resources.

Date & Time: 12 December 2023 | 10:00 AM – 12:00 PM.

Venue: UKH Auditorium.

We will be honoured by your presence.
