Dear Student-Ph. D Hemin Abdulkarim Ahmad,

**Manuscript ID** C22-0097

**Manuscript Title** Maximal chain of ideals and n-Maximal ideal

**Author(s)** **Hemin Abdulkarim Ahmad** (Salahaddin University) and **Parween Ali Hummadi** (Salahaddin University)

We are pleased to inform you that your manuscript indicated above has been accepted for publication at *Communications of the Korean Mathematical Society*.

Please note that all correspondence regarding the publication of the manuscript needs to be directed to the Commun. Korean Math. Soc. editor. The paper has now proceeded onto production process and you will receive a galley proof by e-mail in due course.

At this time, we ask you to log onto the Electronic Editorial System from the online submission website and upload the TeX source-file of your article.

The TeX source-file should be set by KMS style. You can download [KMS style](#) and [sample files](#) in download menu of each journal site.

We thank you and your colleagues for kind cooperation with our journal and look forward to your future submissions.

Final Comments

**Recommendation** Accepted

We are pleased to inform you that your manuscript is accepted for publication in the Communications of the Korean Mathematical Society.

Thank you for submitting your work to this journal.
