Research into the various aspects of the history of interpreting is quite new. Note: in the following questions (2,3,4,5) answer only three of them:

Q2/ Explain the systems of language and linguistic levels between languages interpretation with examples. (10M)

Q3/ Semantic interpretation is significant between the languages, explain with examples. (10M)

Q4/ What are the top ten interpreting tips? Count all of them and explain two of them. (10M)

Good Luck
