I finished my bachelor degree in English language teaching on 2012 at College of Education for Human Sciences English Department / Salahaddin University. Additionally, I have received my Master degree in linguistics (Semantics) on 2019 at College of Education of Human Sciences / Salahaddin University . Main while, the thesis of my master was entitled " The Semantic Field of Medical Terms in English". Then, I have participated in the first round of Pedagogy Course and finished the course successfully. After that, I recieved the scientific title at the same place (Salahaddin University (Erbil Center) on 2019). I am interested in studying and analyzing language structures in general and English in particular. Furthermore, I have many hobbies such as: swimming, playing tennis, ridding horse, and traveling, etc.	8. پرۆفایلی مامۆستا
