Dear Mr/Ms. Ibrahim Hamad
Greetings from IFERP!

Hope you are doing well!

On behalf of IFERP we are inviting you to join our “**Organizing Committee Member**” for our excellent “**International conference on advances in Science, Engineering & Technology (ICASET)**” which will be held on 27th & 28th October 2023 at Ho Chi-Minh City, Vietnam (Hybrid Conference).

Conferences play an important role in disseminating research findings and stimulating new ideas. In addition, conferences can help build collaborations and networking that can lead to new research opportunities.

We can establish smart innovation for the future by inventing innovative technologies to bring advanced materials into the world and implementing efficient processing on Science and Technology

If you are interested in joining as an “**Organizing Committee Member**”, we request you to share your updated resume and formal picture. As a member of our committee, you will guide us to plan and organize the conference. We would greatly appreciate your expertise and input in making this a successful event.

We are becoming familiar with you through our IFERP past conference events and our delegates from around the world as you suggest for conference committee members.

Kindly refer: info@icaset.in for more information about conference
Looking forward to hearing from you

Dear IFERP Conference Program Manager

Thank you for your email and invitation to be an "Organizing Committee Member" for the "International conference on advances in Science, Engineering & Technology (ICASET)" that will be held on 27th & 28th October 2023 at Ho Chi-Minh City, Vietnam (Hybrid Conference).

I am honored to accept your invitation and I look forward to contributing to the success of the conference. As requested, I will attached my updated resume and formal picture here with the email.

I believe that conferences play a vital role in advancing research and development in various fields. I am excited to work alongside other committee members to organize a successful event that will provide an excellent platform for disseminating research findings and fostering collaborations among participants.

Thank you for the opportunity to be part of this event. I look forward to working with you and the rest of the committee members.

Best regards,
Ibrahim
