Dear Alumnus,

Thank you for attending the Alumni Day on 7 April! It was an inspiring day. After a wonderful opening session with Frans van Houten and Jan Peter Balkenende, we continued with the workshops on the different pillars. The day continued with a social half hour in which we could all socialise with each other. Keynote speaker HRH Princess Mabel van Oranje told us about her work on human rights and the fight against child marriage. The day ended with the panel discussion, hosted by Jürgen Raymann.

Of course, we are interested in your opinion on the day! Therefore, we would like to ask you to fill in a short survey of 4 questions to help us improve our events for the future:

We look forward to seeing your ideas for next year's event!

Thank you for your attendance. We hope to see you again at the next event! You can find a short summary of the day via this link: <https://www.eur.nl/en/ese/news/annual-alumni-day-7-april-2021>.
