

# ***CERTIFICATE OF PARTICIPATION***

Awarded to

**Kharman Khalid Qader**

In recognition of the successful participation in

The taster training on improved and sustainable production of apple, as a first step for implementation of a national agricultural training programme

During this 3-day training, participants received information on important aspects of apple production, including general ICM approaches, weed and soil management, and codling moth management. In addition, a brief introduction was given on pedagogical aspects for a good training as well as a farmer workshop implemented

Duhok; from 5 to 7 March 2023

Organised by CABI
