

CERTIFICATE OF PARTICIPATION

Awarded to

Kharman Khalid Qader

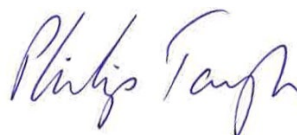

In recognition of the successful participation in

The training of lead trainers on improved and sustainable methods of apple, pomegranate and grape production for the implementation of a national agricultural training programme

This 5-day training provided information on the major diseases and pests of apple, pomegranate and grapevine along with more general diagnosis of crop problems. In addition, information on forecasting and crop monitoring appropriate for apple, pomegranate and grape cultivation as well as on fertilizer requirements was provided.

Erbil; from 12 to 16 March 2023
