

# Academic Curriculum Vitae

## Personal Information:

Full Name: **Dr. Lanja Assad Ismael**

Academic Title: **Lecturer**

Email: [Lanja.Ismael@Su.Edu.Krd](mailto:Lanja.Ismael@Su.Edu.Krd).

Mobile: **+9647504556301**

## Education:

- B. Sc. in Animal Resources, College of Agriculture Engineering Sciences, Salahaddin University-Erbil, 2000-2001.
- M. Sc. In Avian Physiology at Department of Animal Resources, College of Agriculture Engineering Sciences, Salahaddin University-Erbil, 2006.
- Ph. D. Avian Physiology / Reproductive at Department of Biology, College of Science, Salahaddin University-Erbil, 2022.

## Employment:

- From 2001 till day at Department of Animal Resource, College of Agriculture Engendering Sciences, Salahaddin University-Erbil, KRG-Iraq.

## Qualifications

- **Teaching qualifications**
  1. Principle of Animal Production, 2. Avian Physiology 3. Zoology 4. Poultry Production
- **IT qualifications**
  - Office programs (MS-DOS, Word, access, axcel...etc.)
  - Statistical program (SAS and SPSS ).
- **Language qualifications**

Kurdish (Mother language) + Turkish+ English + Arabic.
- Any professional qualification
- **Professional courses**

- Training Course on Molecular Food Quality 1 to 30 November, 2018 at BIOTECON Diagnostics, Potsdam-Berlin (Germany).

## Teaching experience:

- State all teaching courses you delivered, stating undergraduate or post graduate
  - 1. Principle of Animal Production, 2. Avian Physiology 3. Zoology 4. Poultry Production
- **Supervision**
  - Supervisor on many BSc student researches project from 2006 to day in Avian Physiology.

## Research and publications

- 1- Utilization of ground black seed *Nigella sativa* and its impact on productive and physiological performance of commercial layers + Thesis Salahaddin University 2006
- 2- Hematological and productive Performance of male and female of three native geese in Kurdistan region of Iraq + Research Al-Anbar Journal of Agricultural Sciences 9(2) 2011 Reproductive,
- 3- Growth and Blood Characterizations of Black Local Turkey in Kurdistan + Research Al-Anbar Journal of Veterinary 5 (2) 2012
- 4- The effect of black seed (*Nigella sativa*) in the diet on the productive and physiological traits + Research Mesopotamia Journal of Agriculture 43 (3) 2012
- 5- Relatedness among three native geese in Erbil governorate using hematological and molecular + Research Kurdistan Journal of Applied Research (KJAR) 4 (1) 2019
- 6- Reproductive, serum biochemical and hormonal traits of local quail in response to dietary supplementation of green tea powder + Research Iraqi Journal of Agricultural Sciences 53(1): 57-66 2022
- 7- Reproductive, biochemical, and hormonal traits of local quail in response to dietary supplementation of dried garlic powder + Research Iraqi Journal of Agricultural Sciences 53(2): 278 287 2022

## Conferences and courses attended

1. Kurdistan 3rd Conference on Biological Sciences, Kurdistan-Iraq, 4- 6 of May 2010, University of Duhok.
2. 1st Scientific Agricultural Conference, Kurdistan-Iraq 10-12 April, 2012, University of Duhok.
3. The 1<sup>st</sup> International Scientific Agricultural Conference, Kurdistan-Iraq, 20 – 21 November, 2013, Sulaimani.

4. 2nd Scientific Conference of Garmean University, Kurdistan-Iraq 6-7 May, 2015, Kalar.
5. 6 th International Conference and Workshops on Basic and Applied, Kurdistan Malaysia Indonesia 18th – 19th March 2017, Salahaddin University-Erbil.
6. ICASEE-2017 International Conference on Applied Science, Energy and Environment. Kurdistan-Iraq 20th and 21st May, 2017 Ishik University.
7. 1st International Conference on Agro Science 2019, Kurdistan-Iraq 6-7, Nov. 2019 Salahaddin University-Erbil
8. 3rd International Agriculture Conference, Kurdistan-Iraq, 2-3 Oct. 2019 University of Duhock.
9. 3rd International Conference of Agriculture Sciences, Kurdistan-Iraq 15-16, June, 2022 University of Sulaimani.

## **Funding and academic awards**

## **Professional memberships**

- Kurdistan Teachers Union
- Kurdistan Agricultural Engineers Syndicate

**Ismael, Lanja.** I'm born in Erbil on 1978. In June 2000, I graduated from College of Agriculture, Salahaddin University-Erbil. In 2006, I got M. Sc. In Avian Physiology and in 2022 I awarded a Ph.D. in Avian Physiology/ Reproductive Physiology, Salahaddin University-Erbil, (Iraq). I was hired as a teaching staff at the Salahaddin University-Erbil and taught his first course in the fall of 2001. Over the next 23 years, I taught many graduate as well as under graduate courses (Avian Physiology, Zoology, Poultry Production) at Salahaddin University- Erbil. While moving up the ranks to Lecturer in 2012. My research focused on Avian Physiology. I published more than 6 scientific papers. I received more than 25 thanks and appreciation from the university and the Ministry of Higher Education and Scientific Research.

**Dr. Lanja A. Ismael**
