Acceptance of Manuscript

After a careful and thorough perusal of your revised manuscript:

Impact of Additive Different Levels of L-carnitine Supplementation on Growth Performance and Blood Parameters from Three Lines of Local Quails

And critically looking at the reviewers comments on your manuscript, I am pleased that you effected the corrections as recommended by the reviewers. Therefore, we have the pleasure to inform you that your manuscript has been accepted for publication.

It will be published in IJAS Volume 56, Issue (4), 2025

Thanks for publishing with us.

Best Regards

Baktash
Prof. Dr. F.Y.Baktash
