

Academic Curriculum Vitae

Personal Information:

Date and place of birth: 27 dec. 1958/erbil

Place of residence: Erbil/kurdistan region

Address: brayati/ holyzard street

House no.:11

Postal code: 44001

CONTACTS INFO. (964)7504824623

E-mail: lutfia.hassan@gmail.com

lutfia.hassan@su.edu.krd

Education:

Primary school: amina primary school

Middle school: koya seconadory school for girls

preparatory school: koya high school for girls

Bachelor: college of eduction/ sulmania university

M.sc.: college of education/ sallahaddin univerist

Ph.D.:

Employment:

1981-2000 HIGH SCHOOL TEACHER

2000-PRESENT UNIVERSITY LECTURER/

Assist. Lecturer: Mar. 2004

Lecturer: Jan. 2008

Assist. Prof.: Feb. 2012

Qualifications

Teaching Methods Course

Teaching experience:

Bio-chemistry, 3rd year students, College of Education, Chemistry Department (2022-2023)

Bio-chemistry, 2nd year students, college of Education, Biology Department (2022-2023)

Advance Bio-chemistry, post-graduate students/Master degree, college of Education, Chemistry Department (2021-2022)

Research and publications

-Gulzar I Ibrahim, Saman M. Abaulkareem lutfia M . Hassan(2018). Concentration of nitric oxide,C-Reaqctive,Magnesium,calcium,and phosphrous in patients with Arthritis .Diyala Journal of Medicine.15(2).pp23.27

Conferences and courses attended

CONFERNACES:

- International Conference for Medical Science Promoting the Research in Kurdistan, 23-24 Oct.2012.
- First International of Petroleum and Mineral Resource, Koya University and Wessex Instate of Technology, Koya university, koya,3-6 December 2012.
- 6th International Conference on Basic Applied Science, Sallahaddin University, 2017
- 5th International Conference on Applied Science, Energy and Environment, Ishik University, 2018
- 1ST International Conference of AGRI Science, 2019.
- Undergraduate Scientific Conference, Sallahaddin University, 2021.

WORKSHOPS:

- The Hygienic and Medical Importance of Fungi, Knowledge University, 2017.
- Computational Drug Discovery, Sallahaddin University, 2019.
- Green Synthesis of Nanoparticles and its Potential Application, Sallahaddin University, 2019.
- Portable Water Quality Assessment in Erbil City, Knowledge University, 2019.
- National Workshop on Hyphenated Techniques and its Application in Phytopharmaceuticals, Tishik University, 2019.
- Catalysis, Chemometrics and Renewable Energy, Sallahaddin University, 2019
- Simulations of Nanomaterials, Sallahaddin University, 2020.
- 1st Moodle Platform Workshop-EDU, Sallahaddin University, 2020.
- Health Safety Activities in Workplace, Sallahaddin University, 2020.
- بەشداری کردنی تسمپۆزیم، کار یگەری بەکار هەنا نی ت سشیال ت مید ی ت ت ه ت ریکەوتی - ۲۰۲۳ - زانکە ۲۰۲۳، کۆل ت نژی ت پەر وەر د ه
