It's my pleasure to inform you that, after the peer review, your paper, **“Effect of adding natural and synthetic antioxidants to broiler drinking water as antistressor on productivity, antioxidant statues and hematological traits under heat stress”** has been to publish with **Tikrit Journal for Agricultural Sciences** (ISSN):1813-1646 (Print); 2664-0597 (Online). It will be published in 2023 vol.23 Issue 4.

I believe that our collaboration will help to accelerate the global knowledge creation and sharing one step further. Please do not hesitate to contact me if you have any further questions.

Sincerely,

Associate Editor

Lect. Dr. Ammar Saadi Ismaeal
