Dear Dr. Hamed Hassanzadeh:

It is a pleasure to accept your manuscript entitled "Optimization of solvent evaporation method in liposomal nanocarriers loaded-garlic essential oil (*Allium sativum*): Based on the encapsulation efficiency, antioxidant capacity and instability" in its current form for publication in IET Nanobiotechnology.

Please note although the manuscript is accepted the files will now be checked to ensure that everything is ready for publication, and you may be contacted if final versions of files for publication are required.

The final version of your article cannot be published until the publisher has received the appropriate signed license agreement. Once your article has been received by Wiley for production the corresponding author will receive an email from Wiley's Author Services system which will ask them to log in and will present them with the appropriate license for completion.

Payment of your Open Access Article Publication Charge (APC):

All articles published in IET Nanobiotechnology are fully open access: immediately and freely available to read, download and share. IET Nanobiotechnology charges an article publication charge (APC).

Before we can publish your article, your payment must be completed. The corresponding author for this manuscript will have already received a quote email shortly after original submission with the estimated Article Publication Charge; please let us know if this has not been received. Once your accepted paper is in production, the corresponding author will receive an e-mail inviting them to register with or log in to Wiley Author Services (www.wileyauthors.com) where the publication fee can be paid by credit card, or an invoice or proforma can be requested. The option to pay via credit card and claim reimbursement from your institution may help to avoid delays with payment processing.

If your paper contains SUPPORTING INFORMATION:

If you have supporting information for your manuscript, Wiley will host an approved version with the article online.

Supporting information will not be copyedited, checked or changed from its original format. If you notice an error, please get in touch with your journal contact as soon as possible.

Supporting information materials must be original and not previously published. If previously published, please provide the necessary permissions. You may also display your supporting information on your own or institutional website. Such posting is not subject to the journal's embargo date as specified in the copyright agreement.

The responsibility for scientific accuracy and file functionality remains entirely with the author(s). A disclaimer to this effect is displayed with any published supporting information.

Thank you for your fine contribution. On behalf of the Editors of IET Nanobiotechnology, we look forward to your continued contributions to the Journal.

Sincerely,

Prof. Ronald Pethig

Editor in Chief, IET Nanobiotechnology
