

FULL NAME MAND IBRAHIM AZIZ DEZAYI

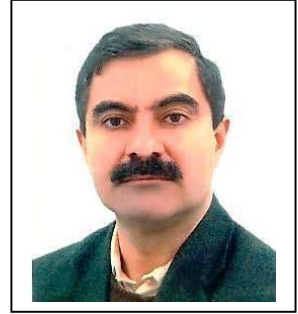

Field of Specialization: Ph.D. ARCHITECTURE - HOUSING AND PLANNING

Area of Interest: HOUSING PLANNING AND DESIGN, URBAN PLANNING, URBAN DESIGN

Date and place of birth 19th December 1960, Dohuk- Iraqi Kurdistan

ADDRESS:

Department of Architectural engineering
College of Engineering,
Salahaddin University – Hawler (SUH)
Erbil – Kurdistan
E-mail: mandibrahimaziz@gmail.com
University E- mail mand.dizayee@su.edu.krd

ACADEMIC QUALIFICATIONS:

- From 1978 to 1983 Bachelor of Architectural Engineering Mosul University-Iraq
- From 1984 to 1986 Master of Housing and Planning Baghdad University-Iraq
- From 2009 to 2014 PhD in Housing Delivery USM –Pinang-Malaysia

EMPLOYMENT EXPERIENCE:

- From 1988 to 1994 Mosul University-Engineering college teaching staff
- From 1994 to 1995 Salahaddin University-Engineering college teaching staff
- From 1995 to 2000 Nassir University-Al-khoums-Libya Engineering college staff
- From 2000 to 2003 Hadhramout University-Almukalla Yemen Engineering college staff
- From 2004 to 2008 Salahaddin University-Engineering college teaching staff
- From 2009 to 2014 USM University-Pinang-Malaysia, PhD candidate
- From 2014 to 2016 Salahaddin University-Engineering college teaching staff
- From 2016 to 2017 Cihan & Ishik Universities teaching staff
- From 2017 on Salahaddin University-Engineering college teaching staff

PROFESSIONAL QUALIFICATION/MEMBERSHIP/AFFILIATION:

- Iraqi union of engineers 1983-
- Iraqi union of teachers 1988-
- Kurdistan union of engineers 2004-
- UN-HABITAT Erbil Regional Office - Consultant for 2005-2012
- Kurdistan union of teachers 2018-

RESEARCH INTERESTS

- *Upgrading housing standards, upgrading architects' capacity in the field of housing.*
- *Housing issues, family response and adaptation, housing strategies, housing economics, production and marketing, development in housing teaching programs,*
- *Planning issues, urban planning and design, city growth, residential transformations within cities*

TEACHING EXPERIENCE

From 1988 to 1994- Mosul University- Iraq

1. Urban planning and housing settlements, 1st sem. 4th year.
2. Urban renewal and transportation development, 2nd sem. 4th year.
3. Architectural design 1st and 2nd sem. 4th year.
4. Working drawing and detailing 1st and 2nd sem. 3rd year.
5. Graduate projects (Housing, Commercial, Governmental and Educational) 5th year.

From 1995 to 2000 Nasser University – Al-khoums Libya

1. Urban planning 1st sem. 4th year
2. Urban design and housing 2nd sem. 4th year
3. Perspective 1st and 2nd sem. 2nd year.
4. Descriptive engineering 1st and 2nd sem. 1st year
5. Working drawing 1st and 2nd sem. 3rd year.
6. Architectural design hotels and hospitals 1st and 2nd sem. 4th year.
7. Graduation project 5th year.

From 2000 to 2003 Hadhramout University- Yemen

1. Engineering services –sanitation, lighting and electricity, 1st and 2nd sem. 4th year.
2. Climate and architecture 1st and 2nd sem. 2nd year.
3. Working drawing 1st and 2nd sem. 3rd year.
4. Architectural design hotels and hospitals 1st and 2nd sem. 4th year.
5. Architectural design 1st and 2nd sem. 1st year.
6. Architectural design 1st and 2nd sem. 3rd year apartments and community public buildings

From 2004-2008 Salahaddin University- Erbil, Iraq

1. Architectural design 1st and 2nd sem. 4th year
2. Urban planning and design 1st and 2nd sem. 4th year
3. Acoustics 1st and 2nd sem. 5th year.
4. Graduation projects
5. Working drawings 1st and 2nd sem. 3rd year.

From 2014-2015 Salahaddin University- Erbil, Iraq

1. Architectural design 1st and 2nd sem. 4th year
2. City planning and Housing 1st and 2nd sem. 3rd year

2016-2017 Cihan University- Erbil, Iraq

1. Architectural design 4th year
2. Architectural design 5th year
2. City planning and Housing 3rd year

Current 2017 onwards Ishik University- Erbil, Iraq

1. Architectural design 3rd year
2. Theory of Architectural Design 2nd sem. 3rd year
3. Theory of Urban Design 2nd sem. 4th year.

From 2017 Salahaddin University- Erbil, Iraq

1. Architectural design 1st and 2nd sem. 4th year. 2017-2019
2. Housing Theories MSc. Students.

3. City planning and housing 3rd year.2019
4. Architectural Design 1st sem. 5th year. 2019
