Training Course in (ABA) Applied Behavior Analysis Therapy program For Autism Spectrum Disorder in Salahddin University for 10 th Days in 2019 supervised by the Trainer Dr. Rezan Rashwani	Diploma of Teaching (Teaching method and research Methodology in 2018
International Conference	Awarded as an organizitng committee member in the first International Conference for Education and Psycology Science 2020
Conducted Women-only psychosocial care and stress management Training on Feb-18-21-2020 female journalists within Internews Aswatouna (Our Voice) Project. During four days Training ,	I facilitated psychosocial care sessions to help women who experienced or are at risk of online attacks to develop tactics for resilience against these threats. Such training can help targeted individuals maintain calm, mitigate adverse effects in their lives, regain agency and help them recover through sharing with others what they have learned. Internews will introduce participants to existing Rapid Response and Emergency Support services and inform participants about legal resources to deal with online stalking, harassment and intimidation.
