The meeting of Monday is to provide you with practical details for the bilateral sessions scheduled with each Kurdish institution to conduct the self-assessment, answer questions and clarify doubts.

All local coordinators from Kurdish partners are invited to attend.

Please find also herewith attached the **PDF version of the self-assessment questionnaire** for your consultation, together with an **explanatory document** which will serve as a guideline during the assessment. Of course, as said, Monday's meeting will serve to explain all the details about the self-assessment exercise, thus you can share with us all your doubts and questions you might have.

We would like to kindly ask you to share these two documents with all the staff members who will take part in the self-assessment bilateral session.

Shall you need any further information or clarification, do not hesitate to contact me.

Thank you very much for your attention and cooperation.

Please receive my best regards and have a nice weekend!

Silvia
